Points will be lost if this happens.
2. Contestants in the Mandolin, Dobro, Guitar, Banjo, and Fiddle will perform one tune. In case of a tie, a second tune will be required.
3. First through fifth place winners will be selected in the Senior division. Beginner & Apprentice divisions will receive a 1st place trophy only, except for the Fiddle category which will receive 1st thru 5th place trophies and award money

B. GENERAL JUDGING CONSIDERATION:

1. Each judging category has a potential of 20 points, for a possible score of 100 points per tune or song. The final score for each contestant will be averaged by the number of tunes or songs permitted in that category. High-low scores WILL NOT be thrown out (*ALL points scored will be counted*).
2. All contestants-performers are urged to consider placement of the microphones and the efforts of the persons responsible for the sound systems. Both are there to help the contestants-performers be clearly heard by the judges and audience alike. The judges will judge exactly what they hear. An instrument too close or too far away from a microphone could distort or drop out the sound, resulting in a loss of points. Please make sure your instruments are properly "miked" and tuned properly prior to starting your performance.
